## 24-months temporary entry of vessels

A visiting yacht is entitled to visit New Zealand for up to 24 months without the need for the yacht to be imported to New Zealand. A Temporary Import Entry (TIE) certificate will need to be applied for from New Zealand Customs prior to arrival.

## Visiting vessels exempt Goods & Services Tax (GST) of 15%

A visiting yacht (entered on a 'Temporary Import Entry') may purchase goods (equipment) and services 'zero rated' of GST if the goods or services are to form part of the yacht and exported with the yacht.

This also includes berthage costs, repairs or refitting work completed whilst in New Zealand.

**NB:** The process is simple with the GST not charged at point of purchase on production of the TIE certificate.
